

PROUD SPONSOR OF
AUDUBON CALIFORNIA

2014 Sonoma County CABERNET SAUVIGNON

About the Winery

Bonneau Winery is operated by the third generation of Bonneaus with family history dating back to the early 1920s in the Sonoma – Los Carneros appellation. The Bonneaus originally came to America from the vineyard lands near Tarn, France. In 1920 they began farming a 70 acre parcel of land just south of the town of Sonoma. In 1988 their daughter, Yvonne, began growing and providing Chardonnay grapes to several well-known wineries in both Sonoma and Napa. The family launched its own label in 2002.

In addition to our own grapes, Bonneau sources its red and white grape varieties from top vineyards in Sonoma, Napa and other prime areas throughout California. Winery operations take place in the town of Sonoma where grapes are crushed, fermented and wines aged. John Bambury, August & Catherine Bonneau's grandson, is Director of Winemaking and handles all the winemaking responsibilities.

About the Label

The Egret brand honors the Great White Egrets that frequent most of our vineyards. These magnificent birds were hunted to near extinction in North America by the beginning of the 20th century for their pure white plumes. Populations have recovered since the birds were protected by law. The Great Egret is now the symbol of the National Audubon Society.

Egret Wines is the proud sponsor of Audubon California. A portion of the proceeds from the sale of each bottle goes to the organization.

Composition:	85% Cabernet Sauvignon 15% Merlot
Appellation:	Sonoma County
Harvested:	October 16, 2014
Alcohol:	14.5%
Aged:	18 Months
Production:	500 cases
Vintner:	John Bambury

Tasting Notes:

This is a full-bodied, luxurious Cabernet. Its aromas and flavors of blackberry, cassis, baking spices, mocha, and dark plum are enveloped with a rich, sweet vanilla oak that finishes with a touch of caramel. Well-balanced acidity and plush tannins meld into a velvety texture that intrigues the palate as its flavors continue to linger. Delicious.
